# **PRIZES, PAYOUTS AND CONTESTS**

**Pro Payouts and amateur merch-outs: One of the things that has been lost over the last few years with the pandemic, is the fanfare of awards presentations. We would like to bring at least a little fun to the awarding of prizes. We will have a mini awards presentation for each division, as they finish their second round.**

**Pro divisions will be 100% (net) payout to the top 45% of each division, plus \$750 added cash! (Any player who is unable to stay for the presentation after their division finishes will receive their payout by e-transfer)**

**Amateur divisions: Top 45% competitors in each division will receive merchandise prizes in the form of gift certificates for our on-site equipment sponsor, Platform Discs! We encourage players to try and claim their prizes at the event - however Emilio is very accommodating to make other arrangements and the gift certificates have no expiry date. (any player who is unable to stay to receive their prize will receive an emailed gift certificates and instructions for redeeming it)**

## **OTHER CONTESTS:**

**One of our hole sponsors, JP Pereira and Royal LePage Realty will be sponsoring bonus prizes on hole 2: All day CTP for a \$50 prize (all divisions)! Ace on that hole receives an additional \$100 prize on top of the ace pool prize!**

**The Sizzler is part of the ODSA 2022 Club Championship Series. Four Fathers Brewing will be setting up their elevated basket with their ace contest: Ace on that hole qualifies to receive a Squatch disc golf bag filled with beer. Also, Four Fathers will be providing a championship tag to the winner of each division.**

**There will be a CTP on every hole! (CTPs on each hole will be assigned to a specific division, number per division proportional to its size)**

**Ace pool will also be on - if you did not join when you registered, you will still have a chance when you check in for round 1. If the ace pool goes unclaimed, it will be donated to Good Shepherd Centres in Hamilton.**
